

COMUNICADO

SOBRE A PREPARAÇÃO PARA A ADEÇÃO À FACTURAÇÃO ELECTRÓNICA

Nos termos do Decreto Presidencial n.º 71/25, de 20 de Março, que aprova o Regime Jurídico das Facturas, a obrigatoriedade de emissão de facturas electrónicas é implementada de forma faseada. Aplicável desde 1 de Janeiro de 2026 aos Grandes Contribuintes e aos fornecedores do Estado, a obrigatoriedade estende-se, a partir de 1 de Janeiro de 2027, a todos os contribuintes enquadrados nos Regimes Geral e Simplificado do IVA.

Neste contexto, a Administração Geral Tributária (AGT) recomenda que os contribuintes abrangidos iniciem, desde já, os procedimentos necessários à adaptação dos seus sistemas e processos, evitando constrangimentos na entrada em vigor da obrigatoriedade.

Os contribuintes enquadrados no Regime de Exclusão do IVA podem aderir à Facturação Electrónica de forma voluntária, mediante solicitação à AGT, beneficiando das vantagens associadas à digitalização, modernização e simplificação dos processos de facturação.

Para garantir uma transição eficiente, recomenda-se que os contribuintes:

1. Actualizem ou adquiram um *software* de facturação certificado pela AGT, apto à emissão de facturas electrónicas e à transmissão dos dados à AGT (lista de sistemas de facturação certificados em anexo);
2. Actualizem o seu cadastro e procedam ao registo dos respectivos estabelecimentos (agências), caso tenham mais de um estabelecimento.

Para mais informações, contacte a **Central de Apoio ao Contribuinte (CAC)**, pelo terminal **(+244) 923 16 70 10** ou pelo correio electrónico apoio.agt@minfin.gov.ao.

GABINETE DE COMUNICAÇÃO E ASSISTÊNCIA AO CONTRIBUINTE, em Luanda, a 1 de Outubro de 2026.
